Implementation  
Addendum No. 1

This Addendum forms a part of the contract documents and **modifies** the original RFP documents as noted below:

**QUESTION:**

Why was there no DBE, SBE, FBE, or MBE **goal** requirement?

**RESPONSE:**

Fulton County Government does not have goal requirements.

**QUESTION:**

Why is RFP written whereby only Cityworks/Aztec System LLC can respond?

**RESPONSE:**

The Request for Proposal (RFP) is requesting for IT integration firms to respond and provide services that include data migration, software upgrades, configuration, testing, and implementation of the County's enterprise application for permitting which happens to be the Azteca CityWorks product.

Azteca is the manufacturer of the enterprise software product, but there are integrators that can compete to complete the tasks outlined in the RFP scope of work. We are looking for all professional services vendors that meet the requirements set forth in the RFP.

**STATEMENT:**

After reviewing the RFP the team and I are respectfully requesting an extension on the due date. The RFP has been clearly written and we would like to make sure our submission equals the same quality.

**RESPONSE:**

The Due Date for this RFP will not be extended.
